# Linguistic Landscapes - Solution

Task: Assign the following pictures to a category and justify your choice.

- ④ Top-down: the sign was placed by the city administration
- ⑤ Bottom-up: the graffiti was drawn by a private person
- ⑥ Monolingual: only English is used
- ② Multilingual: several languages, such as French or Japanese, are used
- ③ Static: the sign cannot be moved
- ① Movable: the car is likely to be moved
