

You are, what you post!
– social media and safety issues –

1. Describe the Instagram profile of maax_muster16¹ in the frame below. What does it tell you about the user?
2. Analyse the accompanying profile with regard to self-portrayal and online presentation by carefully looking at each of the four elements of @maax_muster16's Instagram profile. Highlight the elements in the profile and each post that appear difficult or problematic² to you.
3. Compare your findings with your peer. Illustrate why Max choice of profile settings and content shouldn't be online like that.

¹ The instagram profile and the posts have been created by using the tool zeeob (<<https://www.zeeob.com>>).

² **problematic** – full of problems (adjective)

4. Form a group of three to four students. Together generate five tips for digital self-presentation on social media based on your findings

I. _____

II. _____

III. _____

IV. _____

V. _____

5. Help Max (@maax_muster16) to edit his profile according³ to the do's and don'ts on social media.

Check your own social media profile at home and use the tips to edit your own profile according to the do's and don'ts on social media.

³according to – in a way that agrees with sth. (preposition)

Mia Miller That pic isn't really flattering over Mrs F 😂

Kathy Korn Eeeeeey I didn't notice you taking the picture

Max Muster Chill @kathykorn... you're so dramatic

Kathy Korn That's not funny at all... I'm going to report you to Mrs F

Mia Miller @kathykorn pls chill... why are you always so annoying? #teacherspet #bootlicker

George Green @miamiller haha 100% true 🤔
