2. Your own word search – pen and paper version (solutions)

In small groups, create your own word search based on

- a) newly learned vocabulary or
- b) plot summary questions (just like on page 1).

Use the previous worksheet as a best practice example. If needed, you also can use dictionaries.

1. Olivia's twin brother is called **Sebastian**.
2. Orsino is the duke of Illyria.
3. Olivia falls in love with Cesario who is actually **Viola** in disguise.
4. "If music be the **food** of love, play on; ...".
5. Sir Toby is **drunk**.
6. Sir Andrew boasts about his **dancing** skills.
7. **Feste** is a professional fool.
8. Maria **hates** Malvolio.
9. **Love** is a predominant theme in Act 1.

Fill in the answers and complete the blank squares with random letters, so each square is filled with letters.

2. Your own word search – online version (solutions)

In small groups, create your own word search with help of the online platform learningapps.org. Your word search can be based on

- a) newly learned vocabulary or
- b) plot summary questions.

If needed, you can use dictionaries. Follow the step-by-step guide below:

- Step 1:** Go to learningapps.org > Click on “App erstellen” at the top.
- Step 2:** Pick the template “Wortgitter” and click “neue App erstellen”.
- Step 3:** Fill in your words and click “Fertigstellen und Vorschau anzeigen”.
- Step 4:** Click “App speichern” > Share with your classmates via mail or QR code (in the bottom right corner).

3. Share your work!

Get together in new small groups and exchange your works now. Have fun with filling out each other's word searches. Are you the champion to solve them all? Also: Give feedback on the quality of the word search (i.e. too obvious, difficult, easy, good mix of easy and challenging words etc.).
