

WS 4: Storyboard Act 3 Scene 4 (sample solution)

1) Produce a short video showing the reunion between Viola and her brother Sebastian. Use the storyboard template below to structure your ideas. Focus on possible feelings of and between the characters as well as on potential conversations. Provide a short explanation (in bullet points) under every scene of your storyboard and how it could be brought on stage by giving information on facial expressions, gestures and stage directions.

2) Now film the reunion between Viola and her brother Sebastian based on your storyboard.

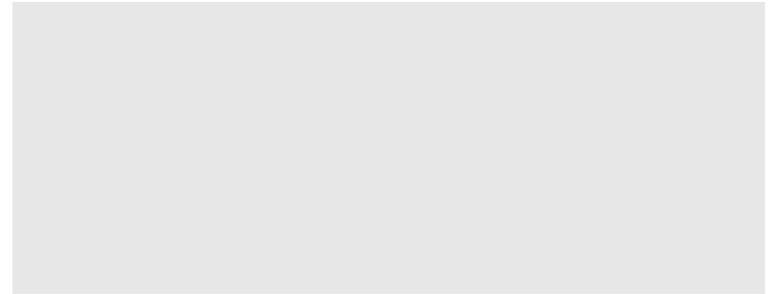

Scene 1

- Viola can't believe her eyes when she sees her brother Sebastian (Viola: shocking face, Sebastian: waving to Viola).

- stage direction: distance between Viola and Sebastian

Scene 2

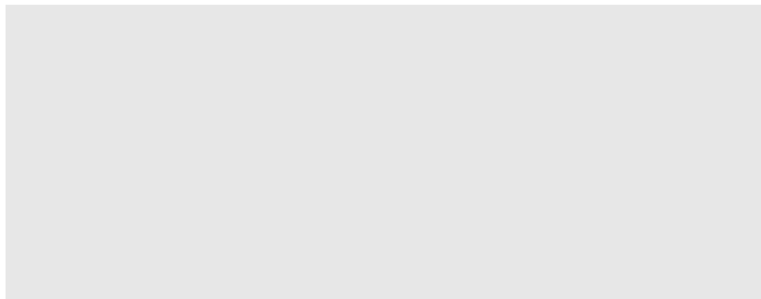

- Viola hugs her brother Sebastian intensively.

- They can't describe their happiness about their reunion.

- stage direction: Viola runs to her brother

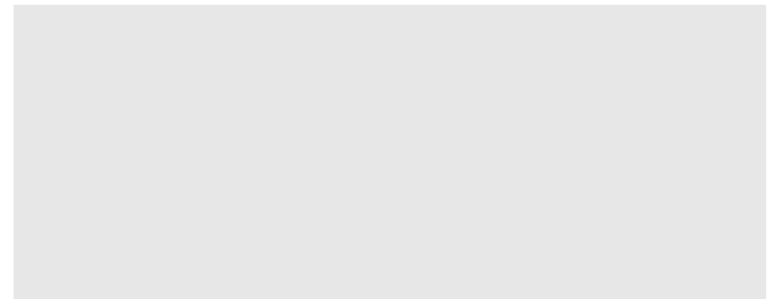

Scene 3

- Viola cries because she can't believe that her brother is still alive and because she is so relieved about it.

- stage direction: Viola and Sebastian sit down, he puts his arm around her

Scene 4

- Viola has to tell everyone in Illyria that Sebastian is still alive.

- stage direction: crowd around Sebastian and Viola, crowd is cheering
