

WS 7B Podcast on Olivia's feelings

Write and record a short podcast episode on Olivia's emotional state. You can choose to work on your own or with a partner.

1. Read the info box on how to create a podcast episode.
2. Write a script (bullet points or full text depending on your preference) for your podcast using the information in the info box. Be as creative as you want (possible formats could be an interview, book review, ...), but your podcast should not be longer than 3 minutes.
