

## WS 2: Malvolio's Thoughts (*Twelfth Night*: Act 4 Scene 2)

**Task:** Illustrate Malvolio's thoughts by writing them into the thought bubbles. Use your own words.

If only Olivia knew about this, she would come and help me out of this mess!

As soon as I am free, I will find who is responsible and make them regret it.

Why is this happening to me?

It is really dark in here. Are they right? Have I gone mad?

The voice of that Sir Topas sounds oddly familiar. Where have I heard it before?

Maybe it is my fault I am in here? But what could I have possibly done to deserve this?
